

# IMPORTANT NOTICE

## Apologies, your water supply needs to be temporarily turned off

We are upgrading the water mains in your area and apologise in advance for any inconvenience this essential maintenance work will cause.

For further information visit [www.affinitywater.co.uk/newpipes](http://www.affinitywater.co.uk/newpipes)

  
**Affinity Water**  
Your local supply, on tap

# IMPORTANT NOTICE

Apologies, your water supply needs to be temporarily turned off

Today's date:

Time:

The time indicated below is the **MAXIMUM** time that your supply will be affected, although we aim to restore your supply earlier.

	Date	Start	Finish
Mon			
Tues			
Wed			
Thurs			
Fri			
Sat			
Sun			

## Before your water supply is turned off

- We would advise you to store water before the supply is turned off.

## During the period of temporary interruption

- Please keep all taps turned off.
- Please do not use appliances that require a water supply.
- Please do not drain your cold water storage tank.
- Your central heating should not be affected.

## After we notify you that your supply has been turned back on

- Turn taps on gently to release any air.

## What hours do you work?

- We generally work from Monday to Friday, 7.30am to 5.30pm, however we may need to do extra work at weekends to enable us to complete work in some areas.

If your water supply is not restored by the time indicated, please call the number below.
