

Retailer Equipment: meter menu

Below is our list of meters which are compatible with the fitting of Retailer Equipment. If you propose to install Retailer Equipment on our meters, you will need to email the Wholesale Operations Service Desk at wosd@affinitywater.co.uk and include the AWL Reference number shown on the table below in your notification.

This meter menu should be read in accordance with our terms & conditions upon which we will allow Retailer Equipment to be installed on our meters, and our Non-Household Property Data Logging Policy and Guidance to Retailers available at: www.affinitywater.co.uk/Wholesale/KnowledgeHub
